IRISH LAND ACTS. 1903-9.

REPORT

OF THE

ESTATES COMMISSIONERS

FOR

THE YEAR FROM 1ST APRIL, 1914, TO 31ST MARCH, 1915.

AND FOR

THE PERIOD FROM 1ST NOVEMBER, 1903, TO 31ST MARCH, 1915.

TO HIS EXCELLENCY IVOR CHURCHILL, BARON WIMBORNE,
LORD LIEUTENANT-GENERAL AND GENERAL GOVERNOR OF IRELAND.

The Estates Commissioners beg to submit the following Report of their proceedings under the Irish Land Acts, 1903-9, during the year ended 31st March, 1915, together with a summary of their proceedings for the period from 1st November, 1903, to the 31st March, 1915.

Where not otherwise stated, the expression "period" in this Report means the period from 1st November, 1903, the date on which the Irish Land Act, 1903, came into operation, to 31st March, 1915, and the expression "year" means the year ended 31st March, 1915.

The expression "Parcels" used in the Tables of this Report refers to parcels of untenanted land sold or agreed to be sold to purchasing tenants and others, either as enlargements of existing holdings or as new holdings and where such parcels have been consolidated with the existing holdings of the purchasers it is so stated.

The references in brackets throughout the Report are to the sections of the Act of 1903, unless where otherwise specifically stated.

The Estates Commissioners are three Members of the Irish Land Commission who were appointed under the Act of 1903 for the sale of Estates under that Act, and detailed particulars of the proceedings before them under the Acts 1903-9 are given in the following Report and accompanying Tables up to the 31st March, 1915.

The Estates Commissioners think it is desirable to preface their Report with the following summary of the proceedings under the earlier Land Purchase Acts, *i.e.*, 1870-1896, also of the proceedings under the Acts of 1903-9 of the Irish Land Commission for the sale of holdings, as distinguished from proceedings for the sale of Estates through the Estates Commissioners under these Acts, so that, read in conjunction with the proceedings before the Estates Commissioners, it may be possible to see the progress which has been made in the transfer of land in Ireland under all the Land Purchase Acts.

Sale of Holdings under Acts 1870—1896.

The following Table gives in a summarised form particulars of the sale of holdings under the Acts 1870-1896 :—

The Land Purchase provisions of the Act of 1870 were administered by the Board of Public Works (Ireland), and those of the Acts 1881-1896 by the Irish Land Commission; detailed particulars of the Sales under these Acts are given in the Reports of these Departments. The advances under the Acts of 1870-1888 were made in Cash, and the advances under the Acts of 1891-6 were made in Guaranteed Land Stock (2½ per cent.).

The Sales in which advances have been made under the Acts 1903-9 through the Land Commission for the purchase of *holdings*, as distinguished from the sale of *Estates* through the Estates Commissioners under those Acts, are as follows :—

In the period from the passing of the Act of 1903 (1st November, 1903) to 31st March, 1915, advances amounting to £68,859,962 have been made for the sale of Estates under the Acts 1903-9, i.e. :—

Included in the foregoing table are 46 Estates comprising 9,101 holdings and 65,098 acres acquired by the Congested Districts Board from the Land Judge under Section 77 of the Act of 1903, the purchase money of which (£236,312 in Cash, and £90,891 in Guaranteed 3% Stock) was advanced by the Land Commission, also £5,016 advances in Cash under the Act of 1905 by the Land Commission to the Board for the redemption of Superior Interests pursuant to Section 2 of the Congested Districts Board (Ireland) Act, 1899; particulars of these advances are given in the Land Commission Report.

Proceedings for sale had been instituted before the Estates Commissioners on the 31st March, 1915, as follows, in which the Purchase Money had not been advanced on that date :—

Total ...	2,767	102,618	3,337,428	25,315,839	67,715	25,383,554

In addition, Estates of an estimated purchase money of £441,687 and £1,966,068 were pending on the 31st March, 1915, for sale to the Estates Commissioners and the Congested Districts Board respectively, but in respect of which formal proceedings for sale had not been instituted before the Commissioners on that date.

Up to the passing of the Act of 1909 all advances under the Act of 1903 were made in cash. To expedite the payment of the Purchase Money of sales of Estates pending under the Act of 1903, at the passing of the Act of 1909, Section 3 of the latter Act enabled Vendors in such pending sales to elect to take payment either wholly or partly in Guaranteed 2½% Stock at the price of 92, instead of waiting for payment in cash of the Purchase Money of their Estates, and, under Section 4 of the Act of 1909 Regulations have been made by the Lord Lieutenant for determining the priority in which advances whether by means of money or of stock, or partly by means of money and partly by means of stock, may be sanctioned or made, and for allocating as between the different classes of sales the amounts available for advances. The Regulations of the 28th March, 1911 (No. 319 of the Statutory Rules and Orders 1911), have as from the 1st April, 1915, been replaced by the Regulations of that date (No. 291 of the Statutory Rules and Orders, 1915).

On the 1st of April, 1914, there were pending Direct Sales under the Act of 1903, amounting to £22,934,828, viz. :—£20,026,562 on the All Cash Register, £2,519,214 on the Half Stock Half Cash Register and £389,052 on the All Stock

Register, and in the year ended the 31st of March, 1915, the Commissioners advanced £2,885,256 in these pending Direct Sales allocated in accordance with the said Regulations as follows:—£2,274,362 in all cash, £576,326 in half stock half cash, and £34,568 in all stock. On the 1st of April, 1915, further applications by Vendors in Direct Sales pending under the Act of 1903 were received to take payment of the Purchase Money of their Estates as follows, £29,780 in half stock half cash, and £648 in all stock. Including cases not paid on the 31st of March, 1915, and allowing for cases in which the advances, were refused &c., there were on the 1st of April, 1915, pending Direct Sales under the Act of 1903, amounting to £19,866,101, viz.:—£17,768,515 on the All Cash Register, £1,897,799 on the Half Stock Half Cash Register and £299,787 on the All Stock Register.

Advances made in respect of Purchase Agreements in Direct Sales lodged after the 15th September, 1909, and in respect of Agreements entered into by or with the Land Commission or the Land Judge or the Congested Districts Board after that date, are made by means of the issue of an amount of Guaranteed 3% stock equal in nominal amount to the sum advanced and are repayable by Annuities at $3\frac{1}{2}$ % under the Irish Land Act, 1909, save as regards certain Estates and lands pending for sale under the Act of 1903 to the Commissioners and the Board at the passing of the Act of 1909 which are to be paid in cash, with $3\frac{1}{2}$ % Annuities on resale.

The purchase money of lands acquired by the Estates Commissioners and Congested Districts Board by means of "Final Offers" under Section 43 and 60 of the Act of 1909, and of lands acquired under the compulsory provisions of Part IV of that Act, is advanced in cash repayable on resale by Annuities at $3\frac{1}{2}$ %.

The total advances made during the year and period ended 31st March last for the sale of Estates under the Irish Land Acts, 1903-9, were as follows:—

	Year ended 31st March, 1915	Period from 1st November, 1909 to 31st March 1915
	£	£
In all Cash,	3,289,274	50,209,029
In half Cash half $2\frac{1}{2}$ per cent. Stock,*	576,326	10,451,517
In all $2\frac{1}{2}$ per cent. Stock,*	34,568	3,181,294
In 3 per cent. Stock,	878,962	5,018,122
Total,	4,779,130	68,859,962

*The figures in this statement are the advances in respect of which the Land Purchase Annuities are payable: where the advances were made either wholly or partly in Guaranteed $2\frac{1}{2}$ per cent. Stock the amount of Stock issued to Vendors was the equivalent of the sums advanced, taking the price of issue at 92 in accordance with Section 5 (3) of the Act of 1903. See also Note to table on previous page

Resale of Estates purchased by the Estates Commissioners and Congested Districts Board.

Estates purchased by the Estates Commissioners and the Congested Districts Board under the Acts of 1903-9 are acquired for the purpose of resale to the tenants and other purchasers under those Acts. When the rearrangement and enlargement of holdings and other improvements which the Commissioners or the Board consider desirable have been completed, the lands are vested in the purchasers subject to Purchase Annuities, the Advances in respect thereof being written off the Advances already made to the Commissioners and Board respectively for the purchase of the Estates.

As stated above, 958,102 acres, situate on 1,001 Estates and representing a Purchase Money of £8,706,298, had been purchased by and vested in the Estates Commissioners up to the 31st March, 1915. These lands comprised 634,171 acres of tenanted land and 323,931 acres of untenanted land. In addition, the Commissioners had agreed to purchase 1,072 acres of tenanted land and 3,101 acres of untenanted land situate on 15 Estates, representing a Purchase Money of £45,742.

As a general rule the Commissioners prepare their Schemes of allotment before taking over possession of the untenanted land, and they place the allottees in occupation immediately on taking over possession; Purchase Agreements at prices fixed by the Commissioners are at the same time signed by the tenants for their holdings and by the allottees for their allotments. The lands are vested in the purchasers as soon as practicable after

such improvements as the Commissioners may decide to carry out have been completed and other matters have been disposed of, and meanwhile the purchasers pay interest on their purchase moneys in lieu of rent.

On the 31st March, 1915, Purchase Undertakings had been signed in respect of 634,329 acres of tenanted land and 309,465 acres of untenanted land purchased and agreed to be purchased by the Commissioners, the untenanted land including 30,679 acres of Demesne lands repurchased under Section 4 of the Irish Land Act, 1903, by Vendors of Estates. In the allotment of untenanted land, and of tenanted land surrendered by Migrants for distribution on the allotment to them of new holdings, 130,565 acres have been utilised in the enlargement of 8,372 holdings and 171,917 acres in the creation of 4,166 new holdings provided for reinstated Evicted Tenants, Migrants, and new Tenants.

Of the 958,102 acres purchased by the Commissioners during the period ended 31st March, 1915, 552,773 acres had on that date been actually vested under the Land Purchase Acts in the tenants and other purchasers on resale, the purchase money thereof being £5,459,741, of which £103,805 represented enhanced price due to improvements.

Estates purchased by the Congested Districts Board are resold by them through the Land Commission, including the Estates Commissioners, by whom the holdings are vested in the tenants and other purchasers, and a summary of these Resales is given in the Report of the Irish Land Commission from which it appears that of the advances, amounting to £4,826,099, made to the Board for the purchase of Estates under the Acts of 1903-9 a sum of £969,044 has been written off in respect of lands vested in the tenants and other purchasers on resale. Detailed particulars of the operations of the Congested Districts Board will be found in the Annual Report of that Department.

In the following pages the Commissioners deal in detail, under their respective headings, with the various classes of sales for which proceedings have been instituted before them under the Acts 1903-9.

I.

Originating Requests

During the period from 1st November, 1903, to 31st March last, 729 Originating Requests (of which 39 have been withdrawn or refused) representing 885 "separate estates" were lodged asking the Commissioners to inquire into the circumstances of estates with a view to purchase and resale. Of this number, 14 were received in the year ended 31st March, 1915; the number received during the previous year was 21.

During the period, inspections were made of 869 estates, 33 of which were inspected in the year. In the case of 37 of the estates inspected in the period, the Commissioners decided not to make any offer.

Estates Inspected.

On the 31st of March, 1915, the Commissioners had estimated the price and made offers amounting to £7,098,473, to purchase 788 estates. 54 of these offers, amounting to £308,705, were made in the year.

Offers to purchase.
(Tables IV, V, VI, and VII.)

During the period, 757 offers, amounting to £6,917,732, were accepted by vendors, and 22 offers, amounting to £114,652, were refused. 53 of these offers, amounting to £380,640, were accepted in the year.

Offers accepted or refused.
(Tables IV, V, VI, and VII.)
Offers awaiting acceptance

On the 31st March, 1915, 9 offers, amounting to £56,089, were awaiting acceptance or refusal by vendors, and in the remaining 58 estates the proceedings had not reached the stage of the making of an offer.

Agreements to purchase.
(Tables IV, V, VI, and VII.)

During the period, having obtained undertakings from not less than three-fourths of the tenants to purchase their holdings, the Commissioners entered into agreements to purchase 717 estates for £6,620,666. Agreements amounting to £389,007 were made in the year for the purchase of 56 estates. The number of estates agreed to be purchased in the previous year was 64, the purchase-money of which was £572,422. There were no cases in which the Commissioners found it necessary under Section 6 (s.a. 3) to request the Lord Lieutenant to dispense with the conditions in Section 6 (s.a. 2) requiring the Commissioners, before agreeing to purchase an estate, to obtain from not less than three-fourths of the tenants undertakings to purchase their holdings.

Detailed particulars of the lands purchased but not resold by the Commissioners on 31st March, 1915, are given, by counties and provinces, in Table XXXVIII. in the Appendix.

In the year and during the period ended 31st March last, the Commissioners certified to the Lord Lieutenant in respectively 6 and 44 estates (congested within the meaning of Section 6 (5) of the Act of 1903) that the purchase and resale of the estates were desirable in view of the wants and circumstances of the tenants. In 3 of these 44 estates the resales have been completed without any loss within the meaning of Section 44, the necessary improvements having been made by means of grants from the Reserve Fund not repayable. The remaining 41 estates have been purchased by the Commissioners. In 16 of these estates, purchased for £194,854, the Lord Lieutenant has directed that the conditions in Section 6 as to resale without prospect of loss may be relaxed to the extent of £12,491, or 6·4 per cent. on the purchase money, such loss, when incurred, to be charged on the Land Commission Vote pursuant to Section 44 (2), and the Commissioners have sanctioned the expenditure of £28,930 for the benefit

Loss under Sections 6 (4) and 44.

and improvement of these estates out of the Reserve Fund. In the other cases the arrangements for resale are not yet sufficiently advanced to enable the estimate of loss on resale to be made.

It may be observed that the particulars in the foregoing paragraph refer only to those congested estates on the purchase and resale of which by the Commissioners it is contemplated that a loss chargeable on the Land Commission Vote should be incurred. The general operations of the Commissioners connected with the purchase and resale of untenanted land for the enlargement of holdings and relief of congestion are set forth on page xiv. of this Report, and the expenditure sanctioned for the benefit and improvement of estates is given on page xviii.

It will be seen from the foregoing table that, of the sums expended in the year and in the period, £25,072 19s. 9d. and £329,424 18s. 5d. respectively, were by way of free grant, and are, therefore, not repayable, and that the sums of £28,653 1s. 8d. and £283,039 11s. 9d. respectively, are repayable by the purchasing tenants as part of their Land Purchase Annuities, representing the enhanced prices of their holdings on resale after improvement.

For the purpose of providing the necessary funds to meet expenditure, the Treasury advanced to the Commissioners, out of the Reserve Fund Account, pursuant to Section 43 of the Act, in all the sum of £279,522 17s. 9d., in the period from 1st November, 1905, to 31st May, 1910, when the Reserve Fund became exhausted, and from the 31st May, 1910, the expenditure fell on the Parliamentary Vote for the Land Commission pursuant to Section 28 of the Land Act, 1909.

In the year and in the period under review the National Debt Commissioners, advanced the sums of £19,750 3s. 10d. and £80,226 14s. 8d. respectively, to the Land Commission for repayment to the Reserve Fund Account and to the Vote for the Land Commission, under Section 43 (3) of the Land Act, 1903, Section 17 of the Evicted Tenants Act, 1907, and Sections 29 and 30 of the Land Act, 1909.

XII.

Period from 1st November, 1903, to 1st May, 1915,	£730,878 7s. 8d.

The amount of interest at the rate of 3½ per cent. paid to vendors under Section 18 (2) of the Act to latest gale day, to the National Debt Commissioners, Section 36 (3), and for rates, taxes, insurance premiums, caretakers, wages, &c., was:—

Period from 1st November, 1903, to 1st May, 1915,	£697,782 7s. 7d.

Negotiation Fees (Section 23, s.s. 11 and 12).

During the year ended 31st March, 1915, the Commissioners sanctioned, under section 23, s.s. 12 of the Act of 1903, Negotiation Fees in respect of 439 estates on which an agent had been employed by the Vendor to negotiate the sale of such estates to persons other than the Land Commission. The total fees sanctioned amounted to £89,147 12s. 9d., which sum represents an average percentage of 2·5 on the aggregate purchase moneys. The total amount of fees sanctioned from the commencement of the Act up to the 31st March, 1915, was £869,634 13s. 0d., in respect of 3,598 estates, the average percentage being 2·5.

During the year under review, fees amounting to £1,921 5s. 7d. were, with the assent of the Treasury, paid, under section 23, s.s. 11, as part of the expenses of the Land Commission to negotiators of sales of estates to the Commissioners under sections 6, 7 and 8, this sum representing 0·29 per cent. on the aggregate purchase moneys. The total amount paid during the period from the commencement of the Act up to 31st March, 1915, was £18,030 19s. 7d., this sum representing 0·46 per cent. on the aggregate purchase moneys. In the case of estates sold to the Land Commission, the duties of the Negotiator are, as a rule, confined to negotiating the sale of the property to the Commissioners; the arrangements for the resale to the tenants, including the striping and allotment of untenanted land, the re-arrangement, enlargement, and improvement of holdings, are carried out by their Inspectors and other officials.

XV.

Questions of Law (Section 23, s.s. 1).

In the year ended 31st March, 1915, the Judicial Commissioner decided one question of Law referred by the Estates Commissioners, pursuant to Section 23 (1) of the Act of 1903, making a total number of 137 decided in the period from 1st November, 1903, to 31st March, 1915.

XVI.

Accommodation for Labourers (Section 96).

During the period ended 31st March, 1915, the Commissioners forwarded to Rural District Councils and to the Local Government Board 189 representations or reports advising that 322 cottages should be erected to supply the needs of 279 holdings. 3 representations or reports were transmitted in the year for the erection of 5 cottages to supply the needs of 4 holdings. Advances amounting to £5,074 have been made to agricultural labourers under Section 2 of the Act of 1903 and Section 19 of the Labourers (Ireland) Act, 1906.

Information as to the Advances made to Rural Councils pursuant to Section 16 of the Labourers Act, 1906, is given in the Report of the Irish Land Commissioners for the year ended 31st March, 1915.

XVII.

Sporting Rights (Section 13).

In the 8,501 estates for the purchase of which advances were made by the Estates Commissioners during the period from 1st November, 1903, to the 31st March, 1915, the sporting rights were dealt with as follows:—

In 114 estates exclusive sporting rights were preserved to superior landlords.

In 8,487 estates sporting rights within the definition of Section 13, s.s. 2, of the Irish Land Act, 1903, were vested as follows:—In 6,072 estates in the purchasers; in 983 in the vendors; in 581 in the purchasers concurrently with the superior landlords; in 6 in the purchasers concurrently with the vendors; in 18 partly in the purchasers and partly in the purchasers concurrently with the superior landlord; in 23 partly in the purchasers and partly in the superior landlord; in 24 partly in the purchasers and partly in the Land Commission; in 89 in the vendors concurrently with the superior landlords; in 57 in the Land Commission concurrently with the superior landlords; in 114 partly in the purchasers and partly in the vendors; in 227 in the vendors for life, afterwards in the purchasers; in 15 partly in the vendors and partly in the Land Commission; in 4 partly in the vendors, and partly in the superior landlords; and in 275 in the Land Commission.

It will be observed that the number of estates in which the exclusive sporting rights have been vested in the Land Commission is small compared with the number of estates sold, and it has not been found that the sporting rights on these estates are of value. In 11 cases, however, the sporting rights have been leased by the Commissioners.

XVIII.

Mines and Minerals (Section 13).

In the 8,501 estates, for the purchase of which advances were made by the Estates Commissioners during the period from 1st November, 1903, to the 31st March, 1915, the right of mining and taking minerals was dealt with as follows:—

In 7,424 estates they were reserved to the Land Commission; in 834 to the superior landlords; in 299 partly to the superior landlords and partly to the Land Commission; in 1 partly to the superior landlord and partly to the vendor; in 2 to the superior landlord and Land Commission jointly; in 13 partly to the vendor and partly to the Land Commission; in 2 partly to the purchaser and partly to the Land Commission; in 1 partly to the purchaser, partly to the vendor, and partly to the Land Commission; in 1 partly to the superior landlord and partly to the vendor; in 1 partly to the superior landlord and partly to the purchasers; and in 23 to the vendor. In the case of one holding on an Estate the mining rights were vested in the purchaser. In 5 cases the Commissioners have made prospecting leases.

XIX.

Reservation of Ancient Monuments (Section 14).

In the case of 96 ancient or mediæval monuments situate on Estates being sold under the Act, the Commissioners of Public Works or the Councils of the following Counties have intimated their willingness to have the monuments vested in them under Section 14, i.e. Commissioners of Public Works, 30 (in one of these cases, on the tenant's giving an undertaking to keep the monument in repair, it was vested in him along with the holding)—Armagh, 1; Cavan, 5; Clare, 3; Cork, 11; Donegal, 1; Down, 3; Galway, 6; Kildare, 4; Kilkenny, 1; King's County, 2; Louth, 1; Queen's County, 3; Roscommon, 1; Tipperary, 7; Tyrone, 4; Waterford, 4; Westmeath, 6; Wexford, 2; Wicklow, 1.

Reinstatement of Evicted Tenants.

Section 2
(1) (d) of
Irish Land
Act, 1903.

Sub-section 1 (d) of Section 2 of the Irish Land Act, 1903, provided that in the case of the sale of an Estate under that Act, advances for the purchase of parcels of land might be made to, amongst others:—

"A person who within twenty-five years before the passing of this Act was the tenant of a holding, to which the Land Law Acts apply, and who is not at the date of the purchase the tenant or proprietor of that holding; Provided that in the case of the death of a person to whom an advance under this paragraph might otherwise have been made, the advance may be made to a person nominated by the Land Commission as the personal representative of the deceased person."

This sub-section was repealed by the Irish Land Act, 1909, but re-enacted in practically similar terms by sub-section 1 (c) of Sec. 17 of that Act.

Evicted
Tenants
Commission
Report,
1893.

At the time the Act of 1903 came into operation, the Estates Commissioners had no direct evidence of the number of persons who might be expected to apply pursuant to this Sub-section. It appears, however, from the Report, dated the 25th February, 1893, of the Evicted Tenants Commission, presided over by the late Mr. Justice Mathew (Parliamentary Paper Cd. 6935 of 1893), that there were on the 17 Plan of Campaign Estates enquired into by the Commission, 884 tenants out of occupation of their holdings at the date of the Report, also that 2,735 applications had been received by that Commission from evicted tenants or their representatives in respect of Estates other than the Plan of Campaign Estates specially enquired into by that Commission making a total at that date of 3,639 applicants.

Section 1 (2)
of the
Evicted
Tenants
Act, 1907

Under Section 1 (2) of the Evicted Tenants Act, 1907, the evicted tenants to whom that Act applies are persons mentioned in Section 2 (1) (d) of the Irish Land Act, 1903, who or whose predecessors were evicted from their holdings in consequence of proceedings taken by or on behalf of their landlords, and who made application to the Estates Commissioners before the 1st May, 1907, to be put in occupation of holdings. Applications received since that date are inquired into and considered when the Estates on which the applicants' former holdings are situate are being dealt with by the Commissioners under the Land Purchase Acts.

Special
Report of
June, 1907

In their Special Report, dated the 11th June, 1907 (Cd. No. 3570 of 1907), the Commissioners explained their practice and the principles they act on in dealing with applications.

(Table
XLIX).

Table XLIX appended to this Report gives detailed particulars, by Counties, of the number of applications received by the Estates Commissioners from persons seeking reinstatement as Evicted Tenants or their representatives, the number of applicants reinstated in their former holdings or provided with new holdings, the number refused, and the number provisionally noted for consideration in the allotment of untenanted land as acquired by the Commissioners.

No. of
Evicted
Tenants
reinstated
or provided
with new
holdings.

On the 31st March last, 1,817 evicted tenants (or their representatives) had been reinstated in their former holdings or provided with other holdings by landlords, with the assistance where necessary of grants by the Commissioners, and 1,612 were reinstated or provided with other holdings by the Commissioners on Estates purchased by them, making a total of 3,429 evicted tenants reinstated or provided with other holdings on 31st March last.

In the case of 538 of the 1,817 reinstated by landlords, the restoration was the direct result of the intervention by the Commissioners, and at prices suggested and sanctioned by them, but, as the Estates on which the holdings were situate were being sold direct by the owners to the tenants, the owners entered into agreements direct with the evicted tenants at the prices estimated by the Commissioners.

Land

under
compulsory

of
Evicted
Tenants
Acts,
1907-8.

Under the compulsory provisions of the Evicted Tenants Acts, 1907-8, the Estates Commissioners had acquired up to 31st March, 1915, in the case of 124 estates, land comprising 26,511a. 3a. 28r., including turbary and mountain, and of this area 21,165a. 2a. 16r. have been allotted to 510 evicted tenants, 103a. 2a. 24r. to two occupiers of evicted farms which they surrendered, and 4,948a. 2a. 28r., to persons coming within Section 14 of the Evicted Tenants Act, 1907, and the residue, 254a. 0a. 0r., had not been allotted on that date.

During the year ended the 31st March, 1915, the Commissioners authorized, in connection with the reinstatement of evicted tenants, the expenditure of £11,421 10s. 5d. (of which £7,016, was by way of free grant) for the improvement of holdings, erection of buildings, purchase of live stock, compensation to existing tenants on surrendering evicted lands, &c., bringing up the expenditure sanctioned for these purposes during the period ended 31st March, 1915, to £365,488 7s. 11d., of which £250,914 5s. 6d. was by way of free grant.

In addition to the figures given in the foregoing Return, Owners had on or before the 31st March, 1915, furnished the Commissioners with particulars of 16,263 acres of tenanted land and 18,642 acres of untenanted land situate in 27 counties with a view to the Commissioners making a Preliminary Inspection and estimating the price which would be advanced if formal proceedings for sale were instituted.

Notes.—Tenanted land purchased by the Commissioners is sometimes recorded as "untenanted land" consequent on the migration of tenants and the re-arrangement of holdings.
